Re: Gedupeerde Bouw op Ons Christiaan Horsman

Hi Marlon,

Just for your more information, I have also a police report in which I explained the details.

PL1100-2023178037-2

In this report, the other police report from Jolanda is also attached (referred) So if you go to the police and report this case, you can connect your case with other cases with above mentioned report number.
